

# SAVE MONEY BY UPGRADING YOUR ATTIC INSULATION

If your home was built before 1990, chances are it doesn't meet current standards.

Saves up to 50% on your heating costs.

Keeps your home warmer in the Winter,  
lowering fuel costs.

Cooler in the Summer,  
lowering air conditioning costs.

High R-Value

Keeps a Home Quieter

Fire Resistant

100% Recycled Newspaper

Environmentally Friendly

**Saving Energy Saves You Money!**
